

BASROC[®] External Wall Cladding System

Application for Compliance Certificate

Project Address	
Project Completion Date	
Builder (if known)	
Applicant/Installer	
Certificate number (office use only)	

This Application for Compliance Certificate serves as an acknowledgement that the Applicant has declared that BASROC[®] panels installed at the above address have been done so in accordance with the BASROC[®] Technical Manual and Specifications

The installation therefore complies with the performance requirements of the National Construction Code (NCC), and Codemark[™] Certification requirements for external cladding

To obtain a copy of the BASROC[®] Codemark[™] Certificate of Conformity (CM70139) please go to www.basroc.com.au

For more information about Maintenance and Warranty please go to www.basroc.com.au

Once completed please return this application to sales@basroc.com.au for processing.
BASROC[®] will then issue a Project Certification
